Qigong/Tai Chi Research for Cancer and Disabilities.

**TWELFTH WORLD CONGRESS ON QIGONG/TCM AND
12TH WORLD TAI CHI AND QIGONG DAY
THE 12TH AMERICAN ASSOCIATION ANNUAL CONFERENCE**

San Francisco April 24-26, 2010

It will be the best Congress ever with worldwide live stream video. Save the dates! For the very first time, The World Congress on Qigong/TCM is partnering with World Tai Chi and Qigong Day, two established mind/body events join together to address the most essential elements for the health of ourselves and our planet....pure energy, food, air and water.

There is still time to participate as a presenter, exhibitor, cosponsor, donor, volunteer and more, in the 12th World Congress on Qigong/TCM and the 12th World Tai Chi and Qigong Day in San Francisco. The world needs to know of the awesome potentials of Qigong/Tai Chi to uplift humanity and restore balance to our planet. Practice of Qigong and Tai Chi is key to personal and planetary evolution. Read the latest reports in the [Wall Street Journal](#) and [Harvard Health](#). **Dr. Mehmet Oz on Oprah advised: If you want to be healthy and live to one hundred, do Qigong!**

With live streaming of simultaneous events worldwide (last year 65 countries participated in WTCQD), come to San Francisco and join world-class masters, scientists and performers in making history! Please share and come with all your family, friends, and associates and make this YOUR event!

In Loving Qi and respect,

Effie Poy Yew Chow, PhD, RN, LAc(CA), DiplAc(NCCAOM), Qigong Grandmaster
Congress Chair

Sponsorships are available for the Congress, which has been attended by over 600 people last year and include the most forward-thinking and innovative studies led by some of the world's foremost and esteemed masters, doctors and scientists.

EWAHA will allocate funds raised for **Qigong/Tai Chi Research for Cancer and Disabilities**.

EWAHA is a non-profit organization with IRS 501(c)(3) tax-exempt status. EWAHA is a public charity non-profit organization dedicated to holistic health research, education and care.
